Subject: All-Star Team Selections

Purpose of the All-Star event:

Softball Players Association takes great pride in recognizing its players for their accomplishments during the current season. The All-Star program began in 1999, in Panama City Beach, FL. Since that National Championship over 2,500 players have received this prestigious award. It has become a very special and traditional award to the players. Each team is given three All-Star selections. Remember, that these players deserve the awards that they will receive, (Certificate and unique All-Star patch, etc.). Your team's All-Stars will participate in a special All-Star Game on Thursday night. This will be a very special memory for them, their family, and your team. Please help us select the deserving players from your team.

Attached you will find an All-Star Team Form. Please review it and fill it out for your team. If you have any questions, please contact our S.P.A. Headquarters (405) 376-7034. Please print the forms neatly and legibly as it will make our jobs easier and our records more accurate. The player's names will need to be easily read so that the certificate will be correct and not have to be redone.

Please fax the All-Star Selection Form back to our office [405] 376-7035 This form must be received a minimum of three (3) weeks prior to the Nationals.

These certificates will be given out at the tournament.

Note: Only those players who participate in the Thursday night event will receive the All-Star Certificate and patch.

The following are a few recommendations that some teams use to make their selections:

- 1. Team Manager may choose the All-Star Team selections
- 2. Team may use their own Team Selection Committee to help make their All-Star Team selections
- 3. Team may vote for the All-Star Team selections [Voting Ballots]

Thanks for your support and participation in this year's S.P.A. National Championships and the selection of your team's All-Stars.
